ROYAL HAEGER LAMPS

A PRODUCT OF THE WORLD'S LARGEST ART POTTERY

This catalogue of Royal Haeger Lamps demonstrates the outstanding superiority of the ware produced by the world's largest art pottery.

Designed by Royal Hickman, Royal Haeger Lamps are gracefully proportioned and distinctive in coloring and unusual glazes. The outstanding characteristic of Royal Haeger is its dynamic virility, its bold sweep of line, its brilliant realization of Mr. Hickman's fecund genius.

Public acceptance of Royal Haeger Lamps proves that these masterly creations have an instant and lasting appeal. By constantly creating new styles, glazes, and finishes, Royal Haeger will continue to merit recognition as the acknowledged leader in the field of modern art pottery.
